

Accommodation in schools on 10MILA

The following two tables show in which school each club will be accommodated.

The schools used are [Kålltorpsskolan](#) and [Nya Lundenskolan](#) (the links take you to a map showing where the corresponding school is situated).

The street addresses to the schools are:

Kålltorpsskolan:	Intagsgatan 12
Nya Lundenskolan:	Kärralundsgatan 3

Earliest check-in on the schools is Friday April 28th at 17:00.

Parking space on the schools is somewhat limited.

Public transportation in Göteborg is arranged by [Västtrafik](#) (English version available); if you are using public transportation to get to the schools, the easiest way to find it is using "[Resepaneraren](#)/[Travelplanner](#)" in the top right corner (also available as an app for your smartphone).

There will be a free bus shuttle service between the schools and the arena. The buses will start running Saturday morning.

More info will be provided on arrival.

Welcome!
